Case \$138.24

Barleywine - American / 20% ABV

It happened, we made it through. Maybe it's more that we're making it through, but at least the end is in sight. Let's celebrate with a shareable tippie, a small pour to say "we did it together, now let's get together." A celebration in a bottle, a reflection in a glass; we're persevering. Share this bottle with someone you haven't been with in a while.

## WILLOW ROCK KEGS

### Bear Ninja Cowboy: 2021 - Imperial Smoked Scotch Ale

1/6 Keg \$120

Scotch Ale

Like the embers from last night's fire, we're all still aglow. In each of us we've got enough of that stuff, deep in us, that makes us hold on. The stuff that makes us resilient and strong in the face of the overwhelming. Like those embers, it has been our ability to stick together, to hunker down, that kept us glowing. The last six years have been both a blur and a lifetime, but every step of the way has been in good company. Use this beautiful double smoked scotch ale to help slow down and enjoy the contemplative moments, just a glass, a can, and slow burn to the bottom. Enjoy the ride, Cowboy.
